The defendant must refrain from obstructing or attempting to obstruct or tamper, in any fashion, with the efficiency and accuracy of any prohibited substance testing or monitoring which are required as a condition of release.

- Participate in a program of inpatient or outpatient substance abuse therapy and counseling if the pretrial services office or supervising officer considers it advisable.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

The defendant is being supervised in the Northern District of Illinois pending sentencing in our district. U.S. Probation Officer Traci Fegre advises that Ms. Perez was recommended for a mental health assessment while receiving her substance abuse evaluation. It is believed that she can receive benefit from mental health counseling. It is therefore recommended that the conditions of release be modified to include a mental health condition. The United States Attorney and her defense attorney have been contacted in reference to this and voiced no objection.

**PRAYING THAT THE COURT WILL ORDER:**

The defendant shall participate in a program of mental health treatment, as directed by the probation office.

I declare under penalty of perjury that the foregoing is true and correct.
